Register or Change Membership to Premier

To register with QuestCDN, please go to <https://QuestCDN.com/auth/login> and click the 'Join' button or visit the home page at <https://www.QuestCDN.com> and click 'Join'. Complete the 'Company Info', 'User Info', 'Membership', 'Profile' and 'Payment' sections. Required fields are noted with a red asterisk. Under 'Membership', choose 'Premier Monthly Member Base Fee' or 'Premier Annual Member Base Fee'. Select each state to search by clicking the box next to the state name. Click the box again to remove the check marked state. Selected states will display under 'States Selected'. The 'Total Fee' is the amount to be billed monthly or annually to the credit card on file. Click the 'Register' button once all sections are complete. The Premier membership is activated immediately. The download delivery fees are charged at the end of the month.

Credit Card is Required at Registration

The reason a credit card is required is twofold:

- 1) QuestCDN assumes the reason a company is joining is to download current or future digital bidding documents. A member can download by having a credit card in the secure account information.
- 2) Requiring a valid credit card provides QuestCDN with a first and only line of defense against non-relevant individuals from indiscriminately signing up as members and diluting the accuracy of the QuestCDN database and industry directory.

Duplicate Account Registration Notice

The QuestCDN system will find duplicate accounts by company name and phone number. An existing account notification window will populate when an account is found with the same phone number or company name. Please contact the main account holder to be added as additional user to the existing account. If needed, create a new account by modifying the company name to include the department or location (i.e., ABC Corp – city) and use a different phone number than listed in the notification window. Contact Customer Support at Support@QuestCDN.com if the email on the existing account needs modification. Once registered, the company information can be modified in 'My Account'.

The screenshot shows the registration form for QuestCDN. The form is divided into sections: Company info, User info, Membership, Profile, and Payment. The 'Company info' section is currently active and contains the following fields:

Premier Member Benefits

1. Regular membership is the default and is a free membership to QuestCDN. There is no charge for this type of membership, however, there may be a cost to download documents. Regular membership does not offer the capability of searching for bid opportunities. A QuestCDN eBidDoc™ number is needed to find a bid posting, preview or download bid documents and view the plan holders list . A Premier membership offers the capability to search for bid opportunities.
2. A Premier monthly or annual membership offers the ability to browse and search current bid opportunities in the states chosen. Renewal fees for annual or monthly memberships are charged on the renewal date. Each download delivery fee is totaled, charged at the end of the month and a monthly billing statement is emailed to the main account holder. In ‘My Account’ under ‘Membership’, choose ‘Premier Monthly Member Base Fee’ or ‘Premier Annual Member Base Fee’. Select each state to search by clicking the box next to the state name. Click the box again to remove the check marked state. Selected states will display under ‘States Selected’. The ‘Total Fee’ is the amount to be billed monthly or annually to the credit card on file. Click ‘Save’ to update. The Premier membership will be active immediately and the credit card on file will be charged the total fee listed.

BID POSTINGS – SEARCH BID POSTINGS

Posting Source

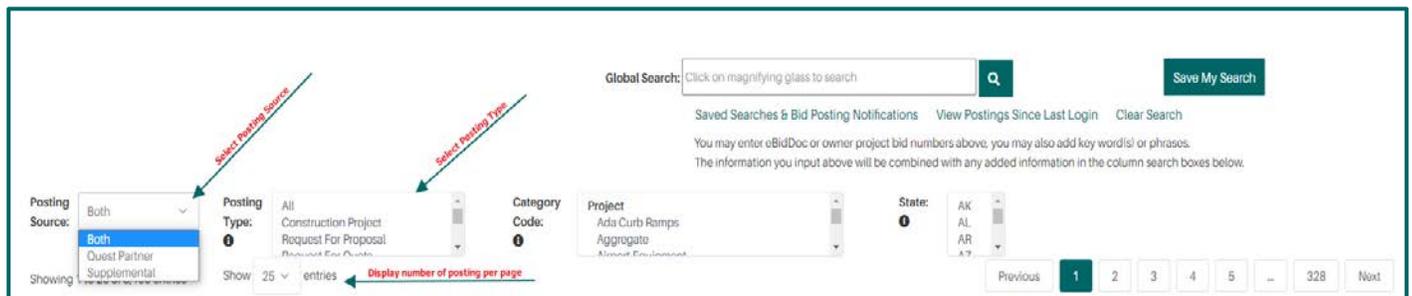

Click the drop-down arrow to select the bid posting source. The default 'Posting Source' is 'Both'.

Quest Partner

Partner postings include an extensive list of bid postings added by QuestCDN partners based on Premier membership state selections. Bid postings under the 'Quest Partners' source include detailed bid information with digital plan sets (eBidDoc™), plan holder list, addenda, view bidding documents (if solicitor allows), posted results, online bidding and Q&A.

Supplemental

Supplemental postings are an organized list of upcoming bidding opportunities based on Premier membership state selections. Bid posting leads in this location expand the scope of bid opportunities populated daily from non-partner agencies. Postings include a detailed bid information page with an HTML link (if available) leading directly to a non-partner website to access bidding documents and information.

Posting Type

Click the drop-down arrow to select the type of posting. Posting types include: 'Construction Projects', 'Request for Proposal', 'Request for Quote', 'Request for Information', 'Request for Qualification' and 'Goods and Services'. The default 'Posting Type' is 'All'.

Examples are eBidDoc™ number, owner project number, item code, specification number or keyword(s). The system will search all bid postings and VirtuBid™ bid worksheets in the states chosen for the Premier membership. Information entered in the 'Global Search' field can be combined with individual column search fields, 'Category Code' list and 'State' list to filter the search.

Individual Column Search Fields

Search by entering specific criteria into the search boxes. Search fields include: 'eBidDoc™ No', 'Category Codes', 'Bid Response/Posting Name', 'City', 'County', 'State', 'Owner', 'Solicitor', 'Posting Type'. Email bid notifications alert Premier members when items matching their saved search criteria become available. Filter and save specific or a combination of keywords, phrases, categories, city, county, state(s), posting type, item codes, solicitor and owner names. There is no limit to the number of saved searches created.

Online Bid ID Code Explanation

The 'Online Bid ID Code' is a passcode and acts as your digital signature. It is required to submit an online bid through the QuestCDN online bidding system, VirtuBid™.

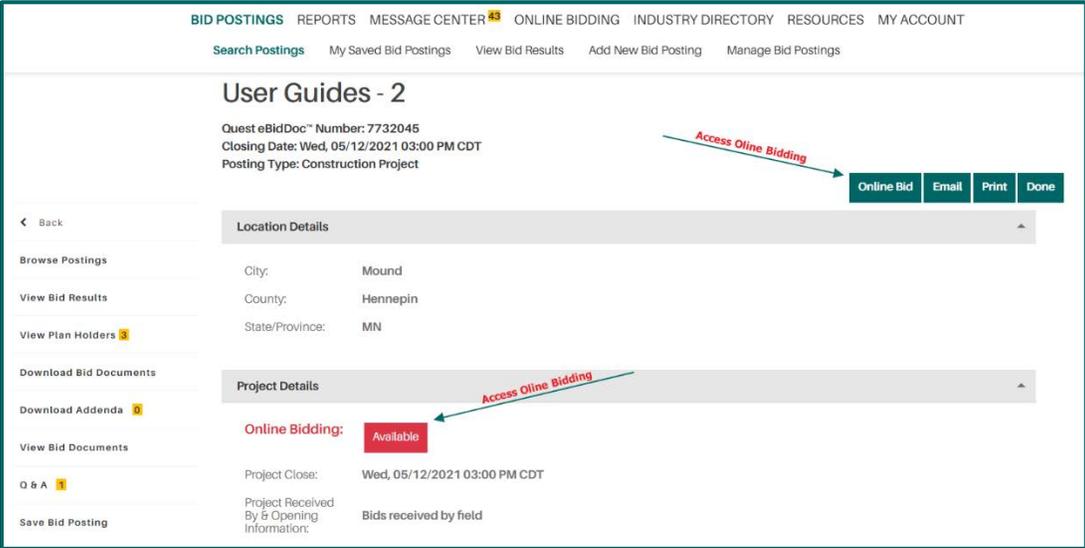

- An 'Online Bid ID Code' must be created before users can access VirtuBid™. The code is established, modified and viewable by QuestCDN main account holder.
- This code is the digital signature that allows submission of a bid on behalf of the company. QuestCDN does not have access to codes for security purposes.
- The code is found in 'My Account,' in the 'User Info & Online Bid ID Code' tab. QuestCDN also provides a link to 'My Account' located in the 'Submit Bid' page within VirtuBid™ to retrieve the 'Online Bid ID Code'.
