INTERNSHIP APPLICATION AND QUESTIONNAIRE

If you are interested in an Internship with the Middleton Police Department, please complete and return the attached application and questionnaire. We typically receive more applicants than we have positions, therefore, your application will be reviewed and some candidates will be invited for an interview and possible ride-along. Interviews will tentatively be scheduled for the first week of April.

Minimum qualifications to participate in our internship program include being at least 18 years old, being enrolled in an accredited college or university, sanctioned by your college or university, and meet applicable Law Enforcement Standards Board employment standards. Also, this is an unpaid internship.

Please be aware that the availability of our internship program will also be dependent on the status of the COVID-19 pandemic. If the Middleton Police Department believes the status of the COVID-19 pandemic at the time of the internship puts members of the police department or any selected interns at risk, we reserve the right to cancel or stop the internship program at any time.
